## GLOBAL ENERGY. LOCAL COMMITMENT.

### Today, Hess Corporation:

- ▶ Is one of the largest acreage holders in North Dakota, with more than 647,000 acres.
- ▶ Has more than 550 producing wells and is the largest gas producer North Dakota.
- ▶ Produces some 40,000 barrels of oil equivalents per day.
- ▶ Has been employing hard-working North Dakotans for more than 50 years.
- ▶ Is growing and putting North Dakota to work!
