PROFESSIONAL GROWTH AND DEVELOPMENT

91.772”

"I was looking for a job that would challenge me and give me the opportunity to make a difference from the very start of my career. Hess is a place where I feel my efforts make a difference."

"Hess provides me with the opportunity to share my ideas and opinions. While we are a mid-sized global company, individuals feel included as contributors and integral to the company's success. This is in line with the Hess Values."

"I joined Hess because I was impressed with the training opportunities, size of the company, diversity, travel opportunities, international work and the company's good reputation. My relationship with Hess is a win-win."

"Hess provides a platform where skills and abilities are identified and developed through a variety of opportunities. I know the skills I have acquired thus far have set me on a path for a very exciting career at Hess."

OIL AND GAS EXPLORATION AND DEVELOPMENT

91.772”

Hess is engaged in the exploration for and production of crude oil and natural gas. Our focus is on becoming a global leader in unconventional shale production, a world class exploiter and a high-impact explorer. We operate in 22 countries across Africa, Asia-Pacific, Europe and the Americas.

We are No. 4 worldwide and No. 1 in the U.S. on Newsweek's Green Rankings of energy companies, and the No 1 most forthcoming about performance on sustainability, according to Bloomberg.
