## MAKE A DIFFERENCE... RIGHT AWAY

Get your career started with a company at the forefront of the global energy industry with state of the art technology.

Every day, Hess employees discover, develop, generate, transport and market the energy that powers the world. We strive for the highest standards of corporate citizenship by safeguarding the environment and making a long-lasting, positive impact in our communities. **Visit us in Deike on Sept. 24 at 5:30 p.m.** Let's talk about what a future with Hess can offer.
