Hess Express in Clearwater, Florida

Hess is an integrated downstream player with market-leading positions in several businesses. We are one of the largest providers of natural gas, fuel oil and electricity to commercial and industrial customers in 18 states and the leading independent gasoline-convenience retailer on the U.S. East Coast. Hess has two refineries – in St. Croix, U.S. Virgin Islands, and Port Reading, New Jersey – and serves our Hess retail stations and numerous third-party customers with one of the largest terminal networks on the U.S. East Coast.

CENTER PANEL

"There is something new to learn every day at Hess. I face new challenges all the time that help prepare me for short-term success and for continued career growth. This inspires me to develop myself and to contribute the best I can to the company."

"Hess provides me with the opportunity to share my ideas and opinions. While we are a mid-sized global company, individuals feel included as contributors and integral to the company's success. This is in line with the Hess Values."

"I joined Hess because I was impressed with the training opportunities, size of the company, diversity, travel opportunities, international work and the company's good reputation. My relationship with Hess is a win-win."

"Hess provides a platform where skills and abilities are identified and developed through a variety of opportunities. I know the skills I have acquired thus far have set me on a path for a very exciting career at Hess."
