*"I was looking for a job that would challenge me and give me the opportunity to make a difference from the very start of my career. Hess is a place where I feel my efforts make a difference."*

*"Hess provides me with the opportunity to share my ideas and opinions. While we are a mid-sized global company, individuals feel included as contributors and integral to the company's success. This is in line with the Hess Values."*

*"I joined Hess because I was impressed with the training opportunities, size of the company, diversity, travel opportunities, international work and the company's good reputation. My relationship with Hess is a win-win."*

*"Hess provides a platform where skills and abilities are identified and developed through a variety of opportunities. I know the skills I have acquired thus far have set me on a path for a very exciting career at Hess."*

Drilling operations, North Dakota

Hess is engaged in the exploration for and production of crude oil and natural gas. Our focus is on becoming a global leader in unconventional shale production, a world class exploiter and a high-impact explorer. We operate in 22 countries across Africa, Asia-Pacific, Europe and the Americas.

We are No. 4 worldwide and No. 1 in the U.S. on Newsweek's Green Rankings of energy companies, and the No 1 most forthcoming about performance on sustainability, according to Bloomberg.
